In short:

Too often we focus on our shortcomings and want to improve them. Let's focus on what we do best and use it to the benefit of the team/company!

As a manager, do you want engaged team members who are bursting with energy, happy in what they do and motivated to give their best? And you, as a manager, which are the talents you can offer to your team?

APPROACH:

Step 1: Completion of online questionnaire for each participant (40 minutes)

Step 2: Individual debrief of talents with the coach (30 to 45 minutes)

Step 3: Workshop n°1 (1/2 day) - € 795 VAT excl.

- Understanding, observing and refining your talents
 - Discovering the talents of others
- Objective: to raise awareness

Step 4: Workshop n°2 (1/2 a day) - 795 € VAT excl.

- Integrate, accept and develop your talents
 - I get the best out of myself when...
- Goal: get more confidence, delegate better manage better

Step 5: Workshop n°3 (1/2 day) - 795 € VAT excl.

- Team talent grid
 - How can we work with the talents present work collectively on our mission, objectives and talents?
- Goal: better cooperation, development of collective intelligence

Optional (but ideal): individual coaching based on the talents in parallel with the workshops - 150€ excl.

TARGET GROUP

Managers who want to invest in themselves and in their team in order to subsequently exploit the diversity of individual talents. A team becomes more than a sum of its talents. The wellbeing at work will benefit from these workshops.
